THE ULTIMATE IN CORPORATE ENTERTAINMENT

Whether you are looking for a company team building, motivation, leadership or reward event for your staff, or want to entertain key clients, we can provide you with a unique solution, which offers an exceptional and diverse range of high quality entertainment or challenge based activities.

The Land Rover Experience Centre near Dunkeld in Perthshire is located on the banks of the River Tay just 12 miles north of Perth. Situated against the backdrop of the beautiful Tay Valley, we boast our own 280-acre site and have access to 5000 acres of wild highland estate. Here we can accommodate a wide range of activities and you can choose from our comprehensive portfolio of events.

If you just want to reward your staff or clients with an exciting and thoroughly enjoyable day out, then we're just as happy to oblige and we'll put the emphasis more on fun!

Based in converted stables and farm buildings, our superb state-of-the-art centre has excellent facilities, including a meeting room and a Land Rover Gear shop. The nearby Hilton Dunkeld House Hotel can provide conference and dining facilities.

Our corporate programmes are designed in close liaison with clients to ensure maximum effectiveness and we can tailor-make a programme which provides a level of challenge that stretches participants to their limit. Whatever programme you choose, you can be assured that all activities are organised and undertaken within the Health and Safety Executive guidelines. All events are always overseen by trained First Aid support.

Whatever your needs, we have a unique solution.

DRIVING PACKAGES

*Suitable for groups of 4 +
All prices are for **one hour** of activities*

Quad Trekking - £40.00 per person

One hour of sheer enjoyment riding our easily handled quad bikes over a variety of tracks and obstacles situated within the beautiful Hilton Dunkeld House Hotel estate. Your session begins with a short lesson to teach you the basics of riding these cross country rugged all terrain vehicles, then it's off for your tour – through the assault course, the amphitheatre and a variety of other obstacles. The scenery is spectacular and you may well encounter some of our local wildlife.

Quad Games – £40.00 per person

Something a bit different. Participants are asked to knock footballs off of a cone and in to a bucket, using a barrier attached to the front of their quad bikes. This is also combined with quad circuits around our 280 acre estate.

The Vehicle Circus - £35.00 per person

(The Cracker and Reverse Steer Land Rover)

The push me/pull me machine requiring communication and teamwork skills to allow it to negotiate a course on flat ground. Sounds simple – the only problem is that this is a four person drive vehicle. One person steers the wheels to the front, the second faces the other way steering their wheels to the front, the third has foot controls for the brake and clutch and the fourth has the gear lever and accelerator. The Reverse Steer Land Rover is simply, or not so simply, a vehicle which goes left when the steering wheel is turned right, and vice versa.

Blindfold Driving - £35.00 per person

A unique driving experience, ideal for team building and communication events in a non-business environment. Based around four or more participants, the objective of the programme is to get people working together as a team and to be reliant on one another.

4x4 Offroad Driving – from £35.00 per person

One of our professional offroad driving instructors will explain the workings of our 4-wheel drive machines and their capabilities, at the same time offering advice to enable participants to get the most out of their time as they drive around our tracks.

Vehicle Games – £35.00 per person

We offer a variety of sports using our Land Rover vehicles including Vehicle Tennis, Vehicle Football, and the Bowmore Trials. Vehicle Tennis requires the participants to hit tennis balls suspended from trees in the forest with their wing mirrors. Vehicle Football requires participants to concentrate on keeping a ball in a container attached to the front of their vehicle whilst off road driving.

Ranger RZR Trials/Bowmore Trials - £35.00 per person

Quad biking with a difference! This sports side-by-side quad is the most anticipated machine that Polaris has produced in years. It has two seats, with nets at either side to hold occupants in, and with an 800 EFI twin engine, it certainly packs a punch. Don't be surprised if you topple over every once in a while – this really is for all the adrenaline junkies out there!

The Bowmore Trials consist of a barrier attached to the front of the vehicle and the driver is then required to manoeuvre within certain targets without knocking anything over and also to knock balls off of cones with the barrier. Again, this requires a great level of concentration and teamwork.

NEW FOR 2009

Fun session – ride a quad, drive a RZR buggy over a small assault course, and be driven in a 8 wheel vehicle through the forest tracks – a taste of what we can offer for only £20 per person – approx 1 hour session – maximum of 5 people per session.

SHOOTING PACKAGES

*Suitable for groups of 6+
All sessions last for approximately **one hour***

Clay Pigeon Shooting - £40.00 per person

The 20 bird fun session is for complete beginners over a variety of straightforward targets. Excellent for corporate clients and private parties.

Target Archery - £25.00 per person

Despite its medieval origins, archery has developed in to a high-tech and highly competitive sport. Using the latest re-curve bows at distances up to 20 metres, guests are taught the skills requires to 'strike gold' on the competition shoot. Full instruction is given prior to, and during your event. Prize included.

Air Rifle Shooting - £25.00 per person

The air rifle range offers your group a variety of knock down targets and traditional rounded targets which can be scored for a competition event. Prize included.

**All activities can be tailored to client's requirements
